

I dati relativi alle percentuali di assenza del personale sono calcolati rapportando il numero dei giorni di assenza complessivi al numero dei giorni lavorativi teorici dei mesi di riferimento. Il computo delle assenze comprende tutti i giorni di mancata presenza lavorativa, a qualsiasi titolo verificatasi (malattia, ferie, permessi, aspettativa, congedo obbligatorio, Legge 104, maternità, ecc.) del personale del Servizio o Unità Operativa.
